

Creating Fragrant Memories

CELEBRATING 75 YEARS

CYCLE PURE AGARBATHI

Dear valued customers,

I am thrilled to introduce IRIS Home Fragrances, a brand new products from the esteemed house of Cycle Pure Agarbathi. With a legacy spanning three generations, the NR family has been dedicated to creating fragrances that have become an integral part of people's prayers and a source of hope for generations of Indians.

At IRIS Home Fragrance, we are committed to continuing this rich heritage of fragrance creation. Our aim is to provide a range of captivating fragrances that elevate your living spaces and create complete sensory experiences. We understand the evolving needs of the Indian consumer, and our products are designed to serve as a lifestyle and wellness solution.

Our brands includes Iris, IRIS Celeste, and Amogha. Each fragrance has been meticulously crafted to offer a unique olfactory experience, filling your home with a sense of serenity, elegance, and positivity. Whether you desire a calming ambience, a celestial aura, or an uplifting atmosphere, Iris Home Fragrance has the perfect fragrance to suit your preferences.

We take immense pride in our commitment to quality, ensuring that every product bearing the Iris Home Fragrance name meets the highest standards of excellence. We believe that the right fragrance has the power to transform and uplift, bringing joy and harmony into your everyday life.

As the Director of Iris Home Fragrance, I assure you that our team is driven by a passion for creating exceptional fragrances that enrich your home environment. We are excited to embark on this journey with you and look forward to building a legacy in fragrance creation that resonates with the discerning tastes and preferences of our valued customers.

Thank you for your trust and support. We invite you to experience the enchanting world of Iris Home Fragrance and discover the transformative power of our fragrance.

Warm regards,

Director,
N. Ranga Rao & Sons Pvt. Ltd.,

NR Group is deeply committed to delighting our customers and all stakeholders through innovative products and sustainable business practices that contribute to the betterment of society. We believe in continuous improvement, innovation, customer satisfaction, and ethical business practices, both in our products and in our processes.

Innovation is at the core of our DNA. We strive to constantly improve and innovate our offerings, ensuring that we meet the evolving needs and preferences of our valued customers. By staying ahead of the curve, we aim to exceed expectations and deliver exceptional experiences with our products.

Customer delight is our utmost priority. We place great emphasis on understanding and anticipating the needs of our customers, and we are dedicated to providing them with products that not only meet but exceed their expectations. We value their feedback and take it into account when developing new and improved offerings.

NR Group stands as a trailblazer in the corporate world, embodying the values of women empowerment, ethical business practices, and environmental responsibility. Through its unwavering commitment, NR Group provides equal opportunities and support for the professional growth of its female employees, fostering a culture of inclusivity. Furthermore, the company actively promotes ethical business practices, ensuring fairness and transparency. NR Group has taken significant steps to become a carbon neutral company, actively reducing its carbon footprint and mitigating environmental impact.

Ripple Fragrances

- **Ripple Fragrances** a division of the NR Group, with headquarters at Mysore. The NR Group was established in 1948 and is the global market leader in incense sticks with its flagship brand "**Cycle**".
- The NR Group is vertically integrated in the fragrance domain. It is one of the few marketing companies in India that creates and blends its perfumes in-house.
- **Nesso**, a subsidiary of the NR Group manufactures floral and herbal extracts.
- Nesso is a global market share leader in Tuberose and Jasmine extracts.
- Building on the Group's competence in fragrance creation, Ripple Fragrances has forayed into the aircare segment in India.
- In aircare, Ripple has introduced a plethora of offerings under the **IRIS** and **LIA** brands. **LIA** offers spatial fragrance solutions for home, office and mobile space.
- **IRIS** harnesses the power of aromacology to provide well being through novel delivery systems.

Cover Story | Ripple Fragrances

The modern taxing lifestyle has been yielding high returns for Mysore based Ripple Fragrances as the company is seeing good business opportunity in feel-good home fragrance products that provide complete sensory experiences. A closer look!

According to Kiran Ranga, Managing Director, Ripple is in the process of expanding 'Tris Aroma Boutique' a first of its kind fragrance

For the NR Group, the business of fragrance has come a long way. Their brands have transitioned from the puja room to other living spaces. The Cycle brand of incense sticks has given the NR Group a formidable identity. The group has built competencies in fragrance creation, branding and channel management and has leveraged these competencies in catering to the evolving needs and wants of the Indian consumer.

“Our lifestyle is more becoming stressful. People need to relax, de-stress more often now than before. These home fragrance products help people unwind in soothing, fresh ambience which enables one to feel good and thus can relax.”

56 RETAILER AUGUST 2016

Reed Diffusers available at the boutique

A view of the boutique

realizing the importance of fragrances, is rapidly evolving and consumers are realizing the importance of fragrance in their lives. The early challenge was one of creating awareness for home fragrances. We overcame it by investing in manpower, and communication. Today we are present in more than 1200 outlets and favoured by leading hotels and corporate. In the next five years, Iris will be a part of all SEC A+ households, in all 3 to 5 star hotels in India, have saturation coverage in all lifestyle outlets, be the preferred gifting solution and scale up on our retail retail outlets. We have started our retail journey from Bengaluru through

all the formats, so what is the trend that is catching up?
Ultrasonic aroma diffuser is a new standard in fragrance evaporation. The diffuser emits a cool aromatic mist by vaporizing water & aroma oil through ultrasonic vibrations, thereby creating a fragrant ambience without heat. The eye-catching shape of the diffuser compliments the décor of any home and office. It also offers soft lighting with alternating colours options to suite your ambience or mood. It
